### Remarks

This recently renovated 3 bed 2 bath home is perfect for your short or long stay in Jacksonville. Fully furnished with smart TVs in every room. Master suite has a California King and all other beds are queens, so you have plenty of space. Ceiling fans in every room for additional customizable comfort. Eat in kitchen features everything you need: Cups, plates, storage containers, silverware, pots, pans, baking equipment, blender and Keurig & regular coffee pots! We are ready for you! Two-car garage is also available for use by guests. Home has a large fenced in backyard with a firepit. Bring your 4-legged friends too, as it is pet-friendly with an additional pet fee. Home is perfectly located near great shopping and is an easy transit to Mayo Clinic, the beaches or the Naval Base. This home stays booked, so hurry and let us know when you are coming.
